

Chamber of Commerce

A firm believer in strengthening the economic climate for local and area residents and opportunities for businesses of all sizes, MGP has consistently been a major supporter of Chamber of Commerce programs and objectives. For decades, the Company has provided significant assistance in leading Chamber endeavors, maintaining representation on Chamber boards and key councils and committees. Countless employees have and continue to volunteer their time and expertise across a multitude of Chamber activities ranging from serving as Chamber ambassadors to heading up major functions and initiatives that support the growth of local and area commerce and trade.
