

United Way

MGP has a long history of supporting the United Way through Company and individual monetary gifts, as well as through volunteer involvement in promoting the organization's community presence and mission. Employees participate heavily in United Way's annual pledge drive, which raises much needed funds for numerous local and area agencies dedicated to improving the quality of life of community residents. Additionally, Company personnel generously donate time and services to further advance United Way's outreach and positive impact on those it serves.
